

trolley data sheet

order: 16631545 / 1

serial number crane: 121-004811

ABUS hoist + trolley GM 1000.5000 H-202.41.9000.6.D 130.20

manufacturer	ABUS Kransysteme GmbH		
year of construction	2015	load capacity	5 t
Location	indoor operation	hook path	9000 mm
FEM group	2m / M5	trolley span	1600 mm
		weight of hoist + trolley	ca. 523 kg
		wheel diameter	130 mm
		Groove width	47 mm

type of control Radio remote control, operation possible via push button pendant
control electrical
operating / control voltage 3~50Hz 380V / 48 V

	trolley	hoist
load capacity	-	5 t
serial number	-	250-055947
No. of drive unit	AN 309361	AN 74023
speed	5 / 20 m/min	0.8 / 5 m/min
performance	2 x 0.04 / 0.18 kW	0.8 / 4.9 kW
rated current	0 / 0.57 A	4.4 / 11.2 A
duty cycle	50 %	60 %
degree of protection	IP 55	IP 55
brake	disc brake	disc brake

load support medium see certificate
load suspension device see supplementary sheet for hook

special equipment load indicator system: LIS-SE
hoist limit switch: upper / lower switching point (standard)
trolley travel limit switch: Advance slow-down and end shut-down
